INSPECTION REPORT

LOCATION

Santa Susanna is located in the centre of the Maresme coast, on a quiet spot surrounded by a splendid garden, at the foot of Montnegre's hill. It is easily accessible through the N-II road, C32 motorway, and train. As well, it is close to Gerona and Barcelona airports - an easy reach from any arrival or departure point. It is located between the sea and the mountain and here we can find a new holiday place with the possibility to stay at comfortable hotels, apartments or campsites. Surrounded by the greenness of its mountains and the blue of its waters, Santa Susanna has become an important holiday centre.

COMPETITION VENUE
