Article 15 – ELITE PRO COMPANY International Sport Show Procedures (general concept)

15.1 The procedures of the ELITE PRO COMPANY International Sport Shows are as follows:

15.1.1 Preassessment: Eliminations Round

When there are more than 15 contestants contesting in a category, an elimination round will usually be held for the purpose of reducing the number to 15. The **ELITE PRO COMPANY** Chief Jury decides if the Elimination Round will be necessary. The Jurys will select the top 15 by placing an "X" beside their numbers, using Form 1, entitled "Elimination Round (Jurys)".

Using Form 2, entitled "Elimination Round (Statisticians)", the statisticians will transcribe the Jurys' selections onto this sheet and will then tally the Jurys' scores to select the top 15 contestants.

If there is a tie between two or more contestants at the 15th place, the tied contestants will be brought back on stage, and will once again be called on stage for the purpose of breaking the tie. Only the top 15 contestants will advance to Round 1.

The details of Elimination Round for each **ELITE PRO COMPANY** discipline are provided in a Section of rules for this discipline.

15.1.2 Preassessment: Semifinals

Semifinals (Round 1) will immediately follow the Elimination Round. Only the top 15 contestants may contest in semifinals. Semifinal's round(s) may not be held if there are 6 or less contestants in a category. Decision will be made by the Chief Jury and will be announced after the Official Contestant Registration.

Using Form 3, entitled "Jury's Individual Placings (Preassessment)", each Jury will award each contestant an individual placing from 1 to 15, ensuring that no two or more contestants receive the same placing. The Jurys may use Form 4, entitled "Jury's Personal Notes" to record their assessment about each contestant. The scores for the Semifinals will be used to place the top 15 contestants from 1st place to 15th place. The top 6 contestants from the Semifinals will advance to the Finals.

The top 6 finalists may be announced after the Preassessment and before the Finals. The details of Semifinals for each **ELITE PRO COMPANY** discipline are provided in a Section of rules for this discipline.

15.1.3 Finals

Only the top 5/6 contestants from the Semifinals will take part in the Finals. They will start the Finals with zero points. Each Jury will award each contestant an individual placing from 1st to 5th/6th, ensuring that no two or more contestants receive the same placing. The statisticians will transcribe each Jury's placings onto Form 5, entitled "Score Sheet(Statisticians)", under the Finals section. At the end of the Finals, the "FINAL SCORE" will be produced. Points from the Preassessment (Round 1 and Round 2) are not taken into consideration in the Finals. Each contestant begins the Finals with "zero points". The contestant with the lowest "FINAL SCORE" is awarded 1st place while the contestant with the highest "FINAL SCORE" is awarded 5th/6th place.

The details of the Finals for each **ELITE PRO COMPANY** discipline are provided in a Section of rules for this discipline.
